Lecturer

- Bill Marin, referred to Gerard's major surgery as example of life events that affect people around us. If someone falls off radar check on them. Keep prayer going for people who might have unknown needs. Holiday season with its short days can lead to depression, especially for those without family. Mentioned Fr. Odowd whose homily previous Sunday touched on people around us who are in need. Think about the Knight who hasn't been around, or widows. Reach out to them. Bring communion to those who can't be at mass.
