Lecturer

- - Bill Marin – His wife Julie owns the St. Francis de Sales Catholic Store. At times people shop with the apparent sense of “I’m looking for this St. medal, if I get it blessed it gives me this protection, right?” These are just Sacramentals. They remind us of our promises, they are not mystic charms. If you use such religious items, don’t look at them as voodoo powers. Appreciate them as part of Catholic tradition but understand they don’t have special powers.
